
FLOWERS AT YOUR CHURCH EVENT

WHAT YOU NEED TO KNOW

We are pleased that you have chosen to hold an event in this beautiful church. Flowers are an integral part of many life events; they have a language of their own and, if arranged sensitively, will enhance the overall event experience for everyone, whether they are noticed or not.

It is important to this parish and church community that we keep to a minimum the environmental impact of all our services and events, therefore we encourage a mindfulness towards that impact with everything that is used including all flowers and their design.

Increasingly, flower suppliers and floral creators are willing to have conversations about sustainability, including the provenance and air-miles of their produce. In making these enquiries you play an important part in highlighting the environmental impact that the floral industry has, and you help create a conversation open to positive change.

A good list of UK flower growers and florists can be found at flowersfromthefarm.co.uk

N.B. The use of flowers in church during the seasons of Advent and Lent is discouraged

Creating beauty, sustainably

*THIS PARISH EMBRACES **SUSTAINABLE CHURCH FLOWERS**, MEANING THAT FOR OUR REGULAR AND OCCASIONAL SERVICES WE ENCOURAGE THE SOURCING AND USE OF SEASONAL, LOCAL FLOWERS AND FOLIAGE, AND ELIMINATING THE USE OF FLORAL FOAM.*

To find out more, please contact your local minister or flowers team or take a look at suschurchflowers.com
